

**Pre-public registration:**

In order to help those key supporters to the event secure a place, we will reserve some places that are released 1-2 weeks prior to public registration. This will be allocated on a first-come-first served basis and once the quota is full, we will close the pre-public registration. If you meet one of the following criteria, you may email us after pre-public registration opens to request a registration (we will not email out the link to general lists).

Please note that this to be used for you only unless you are registering as pair (you may invite one guest) or if you are registering as a team, (then you require at least 2 of the team to meet the criteria).

- **Sponsor partners** (please contact your events team to receive the link).
- **Past highest fundraisers** (if you are in the top 10 (solo/pair/team/corp team) categories in the previous year).
- **Veteran participants** (you have participated in the last 3 Barclays MoonTrekker editions OR you have participated in at least 4 editions since 2009).
- **Past year Check Point volunteer**

Thank you for your kind support.

Barclays MoonTrekker Team.
